Welcome Melissa Gregg

Melissa Gregg is the new Director of Communications & Development. She has been in communications and marketing for 20 years. Melissa has been actively involved for 10+ years with The Miracle League of Northwest Ohio, serving and supporting baseball for all abilities. She's also very active in her church, Elliston Zion UMC, serving as the mission coordinator, on the leadership team and as the communications coordinator. In June, Melissa traveled to Haiti for her fourth mission trip. The team, including her 16-year old niece, were blessed by the hugs, songs and games played with local children. They also received special recognition at a church founded by Living Hope Mission.

6th Annual Jog & Jaunt

Runners and friends of Josina Lott came together on May 13, for our 6th Annual Jog & Jaunt Run, Walk & Roll. We are proud to host the only inclusive race in the area! Race participants were cheered on at our spirit-filled water stop and at the finish line. Thank you to all of our sponsors, volunteers, race participants and staff... this event would not have been possible without you!

Fun at the Family Picnic

The weather was perfect when more than 100 family, friends and staff celebrated at the annual family picnic on June 24. This year's celebration included delicious food prepared by Chef Aaron, corn hole and a basketball toss game. Guests also enjoyed cake in honor of Michael Mock's 50th birthday! Michael is part of our community program and lives with two other roommates.

With Appreciation

We're thrilled to be getting a new sofa & love seat at River Crossings! This was made possible by a grant from the **Toledo Rotary Club Foundation Fund** of the Toledo Community Foundation.

In July, The **Barbara & Willis Garwood Memorial Fund** was created by the Josina Lott Foundation Board to recognize the family's generous donation of more than \$50,000.

In Memory of Mark Robinson *April 2, 1963 - July 5, 2017*

Mark Robinson joined our family 25 years ago. His adorable dimples were pure joy and very contagious. Mark pulled everyone in with his smile and was very protective! He loved reading the newspaper, participating in a variety of outings, from baking to sports and being outside. We are honored to have been part of his life!
